# Message From Fr. Kramer Cameron, LC

Dear Families and Friends of Santi Apostoli,

Happy Sunday! This Sunday we read about the man born blind who encountered Jesus and was healed. Imagine not being able to see your whole life and then from one moment to the next you can see. Jesus changed his life forever. Perhaps we all need some healing and an encounter these days with Jesus. What is it that you need healing from? What is it that Jesus wants to come and heal in your life, heart, family?

As you can see below, we have a lot of upcoming activities. Please keep them all in your prayers, share and join if you can! You may have also seen that our college students were outside the Church selling cakes as a fundraiser for their missions. If you missed them and would still like to support them, here is their IBAN:
