JUST A THOUGHT...

From Fr. Scott Murphy LC

This month we celebrate the feast of the Sacred Heart of Jesus. As school calendars come to a close and family life moves towards a more relaxed, less structured pace we can more easily find the time, if we want, to simply be more aware of how much Jesus has done for us and how much he continues to love us in many quiet and almost invisible ways.

NEWS: WHAT WE HAVE BEEN UP TO

Update-Our ongoing proposals for the Poor

Our current Help the Poor project is Mano Amiga (Helping Hand), a network of schools offering scholarships to underprivileged children so they can complete their education and elevate their lives and communities. So far we have collected just over 200 euros but we are still a long way off from our target of 700 euro, which would cover one child's scholarship for a year, including uniform, books, tuition and nutrition. We are grateful for your help but please continue to give generously so we can reach our target.
