Dear Families and Friends of Santi Apostoli,

On November 1st we celebrated a beautiful Mass for All Saints' Day in the morning and another Mass in the evening with our college students and young professionals! It was a blessing to join with all the saints in heaven worshipping God. On November 2nd we celebrated All Souls' Day and united in prayer for those who have gone before us. Many of you sent messages asking me to pray for your loved ones and I was moved, reflecting on how the pain and suffering of death has affected so many of you so closely. I was also consoled celebrating the Mass with the readings of the Word of God that speak of hope and the resurrection.

This Sunday, once again, our Gospel speaks of the resurrection. I invite you to reflect this week on why you believe that Jesus rose from the dead? What are your reasons for thinking and/or believing that Jesus rose from the dead? It's an essential point of our faith and history worth delving into.

Save the date for Fr. Adrian Lawrence's talk at 8pm on "God's Existence: Faith of Science?"

Have a great week! If you need anything, never hesitate to ask me.

God bless you and your loved ones, Fr. Kramer Cameron, LC
