Message From Fr. Kramer Cameron, LC

Dear Families and Friends of Santi Apostoli,

Hello from the north of Italy where we are wrapping up our weekend retreat (Homo Novus) with college students and young professionals. Please continue to keep these young people in your prayers.

On November 6th Pope Francis gave a beautiful reflection on prayer and I would like to share it with you: "Yes, the Holy Spirit comes to aid us in our weakness. He does something more important still: He testifies to us that we are children of God and puts on our lips the cry: "Father!" (Rom 8:15; Gal 4:6). We cannot say "Father, Abba " without the strength of the Holy Spirit. Christian prayer is not man at one end of the telephone, speaking to God on the other end; no, it is God who prays in us! We pray to God through God. To pray means to place oneself inside God, so that God enters into us... But do not pray like parrots, please! Do not say, "Blah, blah, blah...". No. Say, "Lord", but say it with your heart. "Help me, Lord", "I love you, Lord". And when you pray the Lord's Prayer, pray "Father, You are my Father". Pray with the heart, not the lips; don't be like parrots."

Here is a link with the whole audience of the Pope (which you can find on the Vatican website) :

Let us ask God for this gift of prayer!

"In this is love, not that we have loved God but that he loved us." (1 John 4:10)

Have a great week! If you need anything, don't hesitate to reach out.

God bless you and your loved ones, Fr. Kramer Cameron, LC
